VAULT CHAMPION,
ANASTASIA WEBB

Parents of National Gymnastics Association gymnasts,

We are hosting an exciting event at Aerials in Phoenixville and are so happy to offer our gym to Mary Wright, Daniela Silivas and Oklahoma University Champion Anastasia Webb. Have your children join our power house staff where we will teach your athletes new and exciting gymnastics skills and drills.

This is a great opportunity for local gymnasts to meet and work under the direction of three extremely talented and experienced coach and athlete combo

Best of all this camp is limited to 56 athletes. That's it. 56 gymnasts.

Mary, Daniela, Anastasia and all of our guest staff are working directly with your kids, not just visiting to sign autographs and give a speech. You are training with champions.

VERY Special Guest

As a member of the Romanian senior national team, **Daniela Silivas** earned six individual World Championship titles as well as the 1987 European Championships all-around title. **She was the only gymnast, male or female, to medal in every single event at the 1988 Olympics, where she earned seven perfect 10 scores.** She was known for her technical excellence, difficult routines, charming performances, and artistic flair.

WOW, 15 Gold and 9 Silver medals in Olympic, World and European Championships.

We are extremely pleased to have Oklahoma standout, **Anastasia Webb**, visit Phoenixville. Among her many accomplishments, she is the 2021 NCAA

All-Around, Vault and Floor Champion. 1st place. Additionally, she was First team All American in everything; vault, bars, beam, floor, all-around. I would run out of paper listing everything else. Anastasia majored, and is continuing her education in, Health and Exercise Science.

Fisk University Assistant Coach
